

Dear Shuttle Friends:

Greetings and thank you for another successful shuttle season. We were all fortunate to enjoy some of the best weather in recent memory—and I hope you all took advantage.

With the cool weather approaching, it is time to think of another summer and with that, shuttle seats. I am pleased to announce that for a limited time, we will be able to offer seats at current prices. After October 31st, increased fuel and other expenses are forcing us to raise rates a modest amount.

MARTHA'S VINEYARD COMMUTER BOOKS FOR THE SUMMER OF 2013:

| HPN OR TEB | PRICE BEFORE OCT 31 ST | PRICE AFTER OCT 31 ST |
|----------------------|-----------------------------------|----------------------------------|
| Individual Seats | \$595 | \$645 |
| Book: 10 to 19 seats | \$525 | \$575 |
| Book: 20 to 40 seats | \$495 | \$545 |
| Book: 41+ seats | \$475 | \$525 |

Prices are per seat, plus federal taxes and segment fees.

Next year's season will boast additional aircraft to improve flight times and prime time flight availability.

As promised, as long as your account is active, your value is always good with Tradewind. Your unallocated tickets have been transferred into dollar value that you may apply as follows:

1. If you plan to travel before the end of the year—merely book your flights now and you may use up the tickets at the old rate.
2. If you do not plan to purchase more seats—your dollar value will remain on account to be used within one year.
3. If you plan to purchase more seats, the value you paid for your seats may be applied toward your new purchase.

Most importantly, as soon as you have made your purchase for next season, you may go ahead and book the prime times. Our basic schedule is available for online booking right now. More flights will be added as demand and resources dictate. Schedules and Booking: <http://www.tradewindschedule.com>

Again, thank you for your continued support and I look forward to welcoming you onboard again soon.

Regards,
